THE DIAPER BAG REDONE: INTRODUCING DANIELLE ELIZABETH DESIGNS

Chic, fun and fabulous, they're more than just diaper bags – they're a fashion MUST!

Manhattan Beach, CA – Gone are the days of lugging around a bulky, bland diaper bag that makes you walk lopsided and seems like a bottomless pit when packed with bottles, diapers, snacks and toys! With the latest selection of lightweight, sleek, and fashionable diaper bags, parents can now stay hip and even complement their

outfits or strollers. Many new mothers don't want to compromise fashion for family and now there is finally a diaper bag that lets them have both! **danielle elizabeth designs** combines *style*, function and organization.

The multi-functional collection of diaper bags suits the hectic lifestyles of parents today, gives them several options including different color selections and even the choice to design your own bag in order to suit personal fashion tastes. **danielle elizabeth** diaper bags are made of 100% cotton, machine washable and feature ribbon and rhinestone trim. Each bag has 8 pockets, gold plated hardware, a key hook, hidden magnetic closures and a large matching oilcloth changing pad.

Standing by their philosophy that parents can be busy, chic *and* organized, **danielle elizabeth designs'** coordinating changing bags offer moms and dads a way to keep it all together. **danielle elizabeth designs** Diaper Bags are available in a variety of colorful fashionable prints that suit every parent's personality and style. Additional accessories include large and small blankets, zipper pouches for extra clothes or snacks and a diaper clutch that carries all the essentials for a quick change!
