Bess & Loie

1015 W. LAKE ST.; 312-226-2247

Get closer to dressing like those Sex and the City ladies at Bess & Loie's Dognin Paris trunk

show. The company behind the leather purses seen on the arms of Carrie Bradshaw and Co. has partnered exclusively with the boutique to launch a custom design service. Stop by Friday or Saturday to choose a design, leather, fabric and patterned lining, and a one-of-a-kind bag will be ready by the fall.
